Try at our Expense

Only a confidence based on positive knowledge that in Cal-cura Solvent, Dr. David Kennedy's latest medicine, we have a most wonderful remedy for kidney diseases, stone in the bladder, and liver troubles, would warrant us in urging you to try the remedy at our expense. Get a bottle today, with our absolute guarantee to refund the money if Cal-cura Solvent does not help you. It removes the cause of kidney irritation and disease, by dissolving and expelling from the system all stone, gravel and uric acid. We are justified in making this offer because its record of cures is nine out of every ten cases where it is used. It is not a patent medicine, but a prescription used in Dr. Kennedy's private practice with unfailing success. Write to The Cal-cura Co., Kingston, N. Y., for a free treatment bottle.
